

SLIDING WARDROBE DOOR GALLERIA SHAKER DOOR

Regency

Platinum Timber Door Collection

ELEVATED STYLE, BUILD TO LAST

A timeless design reimagined for modern living, the Galleria Shaker Door brings classic shaker-style elegance into contemporary interiors. With a robust joinery construction and a range of premium finishes, this made-to-measure sliding wardrobe door combines beauty and durability in equal measure.

- The traditional five-piece shaker-style construction delivers refined architectural detailing that elevates the overall look of any space.
- Constructed with 130mm wide stiles and rails from 25mm E0 MR MDF and a 9mm MDF infill panel, the door is designed for lasting structural stability.
- A wide variety of insert options including glass, mirror and mdf panels allowing for personalised design flexibility.
- Available in premium Woodmatt, Matt, or MDF finishes, offering a range of textures and looks to suit different interior styles.
- Each Galleria Shaker Door is made to measure, ensuring a tailored fit and seamless integration into wardrobes, bedrooms or walk-in robes.
- Designed to blend into both classic and contemporary spaces, the Galleria Shaker Door adds instant style and luxury without compromising on durability.
